General Information

- Contact: Tournament Director/GCU Head Coach Tracy Ramirez 517-290-8247 tracy.ramirez@gcu.edu
- Campus Interactive Map: [Campus Map \(gcu.edu\)](#)
- Parking on campus is free. There are security guards at all entrances, tell them you are a part of the women's lacrosse tournament. Any trouble feel free to reach out
- Athletic Trainers - There will be an AT on every field space (one on Track Field, One on East Grove, and one on Colter fields). They are usually set up on the sidelines by the score tables between the two team benches. Look for the purple tents.
 - ****All teams please bring your own AT tape. We are happy to assist with anything but it is a universal club sports rule for visiting teams to bring their own tape, we usually accommodate on individual hosted games but with a 16-team tournament we would run out of supplies so please get with your school AT department to bring some tape and prewrap with you.**
- There will be water and gatorade at each field and water refill stations at all restrooms. Have each player bring a water bottle. Note it will be warm this weekend so make sure your athletes start properly hydrating throughout the day even prior to the tournament. Canopies at each field for team shade during games.
- There will be popup nets on main warmup spaces. Roller rink is good for goalie warmups.
- If you are bringing a bus, please let us know so we can make the school aware of the accommodation.
- There will be light snacks at the award ceremony to hold athletes over until they can get dinner after. You can walk to Colter fields from field 1 and 2 but it would be faster to drive around.
- Shirts in limited supply and there won't be a post order so get them before they're gone. Cash or venmo
- Have fans bring chairs for seating. Only field with bleacher seating is Field 3
- Field 3 is grass. All other fields are turf
- Livestreams via South Mountain Sports on YouTube: [South Mountain Sports - YouTube](#)
- Live brackets on Tourney Machine App: [SportsEngine Tourney \(tourneymachine.com\)](#)
